### **Attempted Kidnapping Suspect**

**Suspect description:** Dark skinned male Hispanic, 25-35, 6'1", 280 pounds; with black spiked hair, brown eyes, clean shaven and no visible tattoos; he was clean, smelled like cologne and did not appear to be homeless; he was wearing a dark blue tee shirt, gray shorts or pants, and solid black shoes.

A blue beach cruiser bicycle with white diagonal stripes and tall handlebars (similar to the one pictured above) was seen in the area and it is unknown if it belonged to the suspect.

On Sunday, 10/11/2015, at approx 1315 hours, an 8-year-old female victim was at Bellis Park (Knott Ave/8<sup>th</sup> Street, Buena Park) with family members attending her siblings little league baseball games.

The 8yo victim and her 10yo sister went into the girl's restroom to use the facilities. As the victim exited her bathroom stall the male suspect appeared from the large bathroom stall within the girl's restroom. The suspect bear-hugged the victim from behind and dragged her into the large stall. The victim pushed and screamed, causing the suspect to let go. The victim remained in the bathroom with her sister as the suspect calmly walked out and was not located.

Bellis Park had hundreds of people in the park at the time of this incident that may have seen the suspect, or have photos of him. A composite sketch of the suspect is pictured above. If you have any information on the identity of the suspect, or this incident, you are asked to call the Buena Park Police Department at 714-562-3901.
