INVESTIGATION INTO DISCOVERY OF HUMAN REMAINS

BUENA PARK, Calif. — On Sunday 3/5/17 at appx 5:45pm, the Buena Park Police Department responded to a residence in the 8200 block of Commonwealth Avenue in the city of Buena Park, regarding the discovery of what appeared to be human remains. The resident had been digging in the back yard, and came across bones in the dirt a few feet from the surface. The resident notified the police, and responding officers confirmed that the bones appeared to be human. The Orange County Sheriff/Coroner's Office was notified, and responded to the scene. At daybreak, a cadaver dog was brought in to search the lot, but no additional remains were located. The remains were collected by the Coroner's Office investigators for further examination. At this point, the remains are unidentified and the cause of death is unknown. The case is under investigation by detectives from the Buena Park Police Department in conjunction with the Orange County Sheriff/Coroner's Office.
