---

The holiday season is a time to take a moment and appreciate the good fortune we have received during the year. It is also time to share our good fortune with others. It is this spirit that the Buena Park Police Department and local businesses wish to pass on to members of our community this holiday season.

On Sunday, December 13, 2015, the Buena Park Police Department will again be hosting "Project Give a Christmas". This project was started 22 years ago when the Buena Park Police Association sponsored a family for the holidays. Since then, the project has grown significantly and now partners with the local business community.

Deserving families are chosen by the local schools and their wish lists submitted to the Police Department. Items on the list are donated by the sponsors and provided to them in an event hosted by Santa and Mrs. Claus. Last year, the Police department with the help of generous sponsors assisted 62 families including, 175 children.

The Buena Park Police Department wishes to thank all of those who have been involved in this program over the years. We appreciate the support of local businesses who understand that the true gift of the season is found in the act of sharing.
