BPPD's first Coffee with a Cop was a success!

Our first *Coffee with a Cop* was a very successful event. On Saturday, May 9th, members of the Buena Park Police Department joined the community at the Movieland Starbucks on Beach Boulevard for a "Cup of Joe". Corporal Carter, Officer Caruso, Detective Gano and Police Services Officer Solis were able to speak with approximately two dozen community members in attendance. Community members asked questions and our officers were able to enlighten them on crime statistics, crime trends, how to become a volunteer, our upcoming Open House, and the variety of responsibilities of a police officer. Buena Park's very own Crime Watch was present at the event and videotaped most of the community conversation and engagement. Starbucks was an especially wonderful host; graciously welcoming the community. We look forward to sharing our next Cup of Joe and building a relationship with the community one cup at a time!
