FATAL TRAFFIC COLLISION

Buena Park, California: The Buena Park Police Department Traffic Bureau is investigating a fatal traffic collision that killed one person and injured two additional motorists.

On Thursday, April 25, 2024, at approximately 1:09 p.m., Buena Park Police Department received a call of a traffic collision at the intersection of Orangethorpe Avenue and Brenner Avenue. Officers responded to the collision and discovered a silver Buick Enclave traveled eastbound on Orangethorpe Avenue and collided with three parked cars.

One of the parked cars was occupied by two adult females. Both occupants were in serious condition and transported to University of California, Irvine, Medical Center. One of the occupants later succumbed to her injuries.

The driver of the Buick Enclave was also in serious condition and transported to University of California, Irvine, Medical Center.

The decedent's identity is being withheld pending notification of next of kin by the Orange County Coroner's Office.

The investigation is ongoing. Anyone with information regarding this collision is requested to contact the Buena Park Police Department Traffic Bureau at (714) 562-3941.
